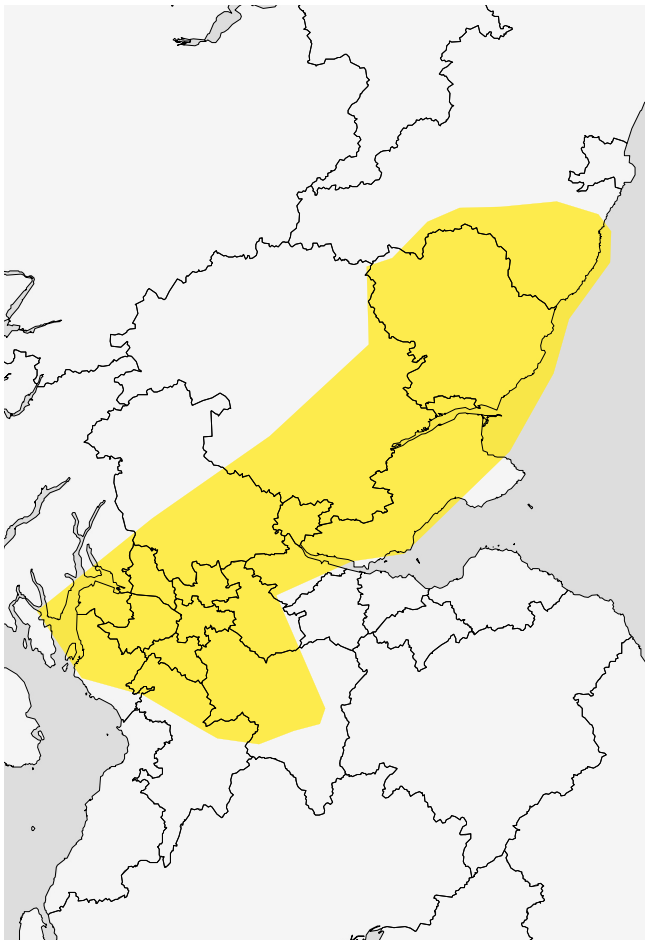
Yellow warning
Rain

Between
11:00 Sat 9 Dec 2023 and
22:00 Sat 9 Dec 2023



Heavy rain will affect parts of central and eastern Scotland today bringing a risk of disruption.

What to expect

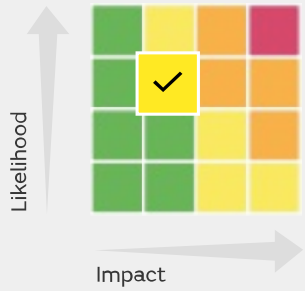
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Flooding of a few homes and businesses is possible

Further details

After a drier interlude, further rain will spread north during Saturday, becoming heavy for a time, before clearing away during the evening. Rain will fall onto already saturated ground with 15-25 mm possible, and perhaps a further 30-35 mm over hills and mountains.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and
train timetables, amending your travel plans if necessary.



Medium likelihood of low impacts
